

## Dasha

Dasha aged 8 arrived at Kitezh from an orphanage in Tulain 2011. She has joined Sergey & Zhenya's family with their foster children Sasha and Alina. She likes DRAWING mainly; plays girly games; likes acting, standing in front of the mirror like a little princess. Also she likes sports & yoga. She is sociable and chooses to help in the kitchen rather than be in the kindergarten. She will be in class 1 (her reading is very poor at present). She's a very gentle, careful child and gets on well with Alina and Sasha. She is so happy to have a family of her own.

## Danil

**Danil**, who is 7, came from same orphanage in Tula as Dasha. Natasha and Ivan Nazarov have taken him into their family. He likes sports and bikes. He is open and friendly, and likes to share his thoughts with others. He is a smart boy, and is keen to learn.
