

# *The Ultimate Skye Escape*

Our new *Ultimate Skye Escape* is unveiled this year. This is your chance to escape to another world of luxury and adventure, full of exciting new discoveries, whilst enjoying the world class experience of a break at one of our boutique hotels on the romantic Isle of Skye.

Book this package and enjoy **three nights Dinner, Bed and Breakfast, chilled Champagne on ice** in your room on arrival **and a unique exclusive Day Sailing Trip on board our 42ft luxury yacht - Solus na Mara** – exploring the crystal clear waters and islands around The Isle of Skye.

## *Eat & Stay*

Available from **April to September**, not only does this break includes the freedom to dine at either of our Four Star Hotels each evening - *Toravaig or Duisdale both boast award winning two AA rosette restaurants and specialise in serving only the very best fabulous local produce from The Isle of Skye* - it allows you the freedom relax and enjoy your evenings as well. We'll take care of transport to and from the restaurant of your choice each evening.

## *Eat*

Our chefs are masters of their craft and delight in delivering some of the most innovative food combinations you will ever have tasted. Focusing on flavour and quality at all times they create amazing dining experiences for our guests – with this package you can “have it all” no need to miss out – both restaurants are yours for the asking.

## *Stay*

Each hotel has its own unique style and the bedrooms are no different ranging from contemporary design to romantic Four Posters all with sea and garden views for you to choose from.

## *Sail*

We've taken care of everything. Partners Anne Gracie & Ken Gunn - the hotel owners - are experienced yachts people and just love being able to show their guests the beauty of the West Coast and share the same awe at the abundant wildlife they come across whilst sailing – Basking Sharks, Dolphins, Porpoises, Seals and even Minke Whales are commonly spotted during their trips. This is their 6<sup>th</sup> year of operating the sailing trips and they have grown in popularity each year with some couples even choosing to return to get married on board Solus na Mara their 42 foot luxury yacht!

## *Experience*

These exclusive trips also offer a time to relax and unwind, enjoy the scenery and be entertained by Anne & Ken who know the area and the islands like the back of their hands. Conversation topics can be as diverse as the weather, topography, language and culture to tales from the island today. Anne is a native Gaelic speaker so you may go home with a word or two of Gaelic to add to your vocabulary or, if

you're really lucky, you might learn about Ken's life at sea as a Master Mariner, traversing the globe then coming home to Captain the iconic luxury cruise ship *The Hebridean Princess!*

All in all it's a break not to be missed and all that's left for you to do is decide which dates suit best, which combination of Eat and Stay you'd prefer and then get in touch to book.
